Office of Legislative Counsel

Monday - 6 January 1958

Delivered to John J. Mitchell, Government Information Subcommittee of the House Committee on Government Operations, a letter signed by General Cabell dated 2 January 1958 in response to a letter from Congressman Moss, Chairman of the Subcommittee, dated 20 December 1957. Mr. Samuel J. Archibald, Staff Director, and Robert S. Coll, an investigator, were also present. After reading our reply they stated that this was a very comprehensive answer and satisfied their needs at the moment. [redacted] previously worked for the Agency in the 1949-50 period. The point was raised that our letter was directed to Russian translation and not to other foreign languages. After indicating that this was our priority and was being done on an organized program basis, they dropped the point and generally seemed pleased with the information we had forwarded.
